

LIBRARIAN'S REPORT October 2024 Pam Leffler, Executive Director

Administration

Personnel

- We hired two new Access Services Clerks, Melanie Kerz and Ivy DeWitt. We will be filling a third Access Services Clerk position in November.
- Other personnel news can be found in the Department reports.

Automation & Technology

- We replaced the computers for the Adult and Teen Services staff. Replacement of the computers for Youth Services staff will take place during the first quarter of 2025.
- OSG continues routine and general maintenance of our computers and other automation systems.

Legal/Financial/Policy

- At the October meeting the Library Board of Trustees approved the 2025 levy request of \$3,908,828, a 4.85% increase over the 2024 levy request, with a total 2025 budget of \$4,086,844. Appropriate documentation was sent to the Village of Morton Grove Finance Manager and City Administrator.
- Just a reminder that the filing dates for the April 1, 2025, Consolidated Election have been moved up by approximately one month, and the final day to file petitions for candidacy is Monday, November 18, 2024. We have two trustee terms that will be expiring in April 2025. Links to information on running for the trustee positions can be found on the Library website.

Facilities

- Fire alarm panel work is complete, and we passed the final inspection at the beginning of October!
- I met briefly with reps from both SMC and Product at the Illinois Library Association conference held October 8 10 in Peoria and will be scheduling further meetings soon to discuss the anticipated work on the public multi-stall bathrooms, carpet and tile replacement at the east end of the library and Baxter Auditorium in 2025, and the redesign/configuration of administration offices and the main floor of the Library in 2026.
- Additional information on the building and grounds can be found in the report from Facilities Manager, Ed Tamras.

Miscellaneous

- We had a soft rollout of passport acceptance services in October. We will begin advertising this
 service in mid-November. After the first handful of passport applications were accepted, and
 based on feedback from patrons utilizing this service, we decided to begin offering passport
 photos. We believe offering photos will increase the attractiveness of using the library for this
 service, as opposed to the US Post Office, etc.
- The Illinois Library Association Annual Conference was held in Peoria from October 8 10, 2024. My report on the conference follows.

Events/Programs/Meetings

MGPL Adult and Teen Services October 2024 Report

Melissa Mayberry, Adult and Teen Services Manager

Programming

This month, we had 49 programs with a total of 860 attendees. There were many new and well-received programs that I would like to mention.

We coordinated with Illinois agencies for two successful programs. Over 50 patrons utilized the DMV services provided by the Illinois Secretary of State Mobile Drivers Express Unit, including Driver's License renewals and obtaining Real IDs. Planning this event required significant coordination, but the positive feedback from attendees has encouraged us to start booking another event for 2025. We also had a good turnout for State Representative Mike Kelly, who spoke with many patrons about a variety of topics.

We were very happy to launch our first-ever seed library at the beginning of the month. Our seed library has 12 varieties of Illinois native prairie plants, and nearly 40 patrons have already selected seeds from the collection. Many participants shared their positive feedback with staff. One patron praised the variety of plants and expressed happiness that MGPL is helping to educate the community on native landscapes. Another patron mentioned she cannot wait to use our seed library to beautify and make her backyard more useful.

We recently hosted our second session of ESL Games and Gab (Conversation), a new program for ESL adults. Our approach is to keep it fun, uncomplicated, and inclusive for all ESL levels. We use various games to encourage conversation and learning simultaneously. Reaching the ESL population can be challenging, so we have been marketing the program at locations outside the library, such as the ELL Parent Center and Oakton Community College.

We concluded the final two programs in our 3-part series, "How to Be a Thoughtful Dead Person." Presented by an end-of-life doula, these online sessions provided valuable insights and guidance on navigating end-of-life planning with compassion and mindfulness. Over 50 patrons attended the live programs, and the recordings have been watched more than 60 times. We find that patrons are seeking information on serious topics like this and greatly appreciate it when we provide knowledgeable presenters.

Finally, we once again hosted an After Dark Murder Mystery. This program was cross-departmental and required hard work by dozens of staff members. The event went smoothly, and reception was overwhelmingly positive. Teen attendees requested that we do this program monthly, and just like last year, some attendees thought we had hired an outside theatre troupe for the event.

Nate, who hosted the event as Detective Dewey, stated, "I was able to see first-hand the joy and excitement that came from the patrons experiencing the program. From the moment they walked into the Baxter Auditorium and saw the 'dead body' to when they submitted their guesses at the end of the program, these patrons absolutely loved this event. I am very grateful that I get to work at a library where I can conduct programs like this."

MGPL Facilities and Maintenance October 2024 Report

Edmon Tamras, Facilities Manager

- We passed the final inspection for the new fire alarm panel.
- Shampooed the carpet in the Computer Room, east side entrance up to Info East, and the area rug in the Activity Room.
- Installed a whiteboard in Study Room #2.
- Coordinated and oversaw the cleaning and fire-retardant retreatment of the stage curtains in the Baxter Auditorium. We received the treatment certification, and it is now hanging on the wall by the east emergency exit door.
- Power scrubbed the floor tiles in the single use bathrooms across from the main Check-Out Desk and in the Youth Services Department.
- Performed troubleshooting on the vending machine. One of the slots on the vending machine was not working even after the installation of a new motor. After a diagnostic check was complete the slot began working, and the vending machine is back to normal.
- Drained both hot water tanks in mechanical rooms in the lower level of the building. It is recommended that the tanks be drained twice/year to remove any impurities.
- Replaced stained carpet tiles behind the main Check-Out Desk and in Study Room #1.
- Cleaned the Keurig coffee machine.
- Performed ongoing adjustments to outdoor lighting as we lose daylight.
- Cleaned/cleared the PVC p-trap for the Baxter Auditorium HVAC unit which is located on the roof.
- Continued to perform daily and weekly tasks:
 - Daily cleaning of the library and grounds.
 - o Weekly draining of the fire sprinkler auxiliary moisture accumulator tubes.
- Managed day-to-day building and ground operations.

- Karina attended Managers meeting
- Karina attended the Summer Reading Program planning meeting.

MGPL Youth Services October 2024 Report

Courtney Schroeder, Youth Services Manager

Programming

In October we offered 53 programs for 1676 people.

This month, we hosted Language Labs for **Worldwide Explorers: Arabic Language and Culture**. Typically, we have a local parent volunteer to host our Worldwide events, so it was definitely a different experience for us having an outside performer lead the program. We are welcoming them back in the winter for a program focused on Chinese.

We host **Cuddle Bugs**, an infant massage class three times a year, but October's class had our biggest attendance to date. Parents were excited to learn more and spent time after class asking the teacher for more information about different related topics. We are encouraged by the interest and hoping to provide this type of program again next year.

In response to patron requests and feedback, this month we hosted **Sound It Out to the Pup**, a program for kids just starting to learn phonics and in the first stages of reading. It's a program like **Read to the Rainbow Dog** that encourages kids to practice their pre-reading skills aloud in a low-stakes environment.

Amy's **Listen Up** storytime has gotten to be so well-attended this month that she expanded to offer two back-to-back storytimes on Tuesday mornings. We keep an eye on attendance each year and adjust as needed with a second storytime at 11am and after several weeks of room capacity attendance, the additional program was added. Overall, we're excited to see great attendance at our storytimes throughout the week.

Outreach

In October the outreach team visited 25 groups (919 kids/teachers/parents) at schools and welcomed three groups of 59 kids to the library. This month, Debbie offered her **Mini Music Makers** class to area in-home daycares that frequently attend programs in the library so that she could free up space in the main class due to its extensive waiting list. It worked out well and 11 people attended the daycare class and so she will continue to offer this to preschools and daycares who bring their kids to the library. This month's outreach included representing the library at the park district's Halloween Fest and the Oakton Community College preschool teachers' conference. This month we also created 6 book bags of 130 items for area classrooms.

Professional Development/Training/Meetings

In October the Youth Services staff attended the following professional development and training meetings in addition to the Youth Services staff meeting and the Youth Services ILL training meeting:

• Debbie and Katie attended the webinar, Here Comes Kindergarten: How Public Libraries Can Promote School Readiness.

- Jess watched the webinar, Fall Graphic Novels for All Ages (part 2) from Booklist.
- Debbie attended a meeting of the ACH Initiative "Reading is a Right" group. She has recommended a webinar and podcast for all youth services staff to watch/listen to in the coming months.
- Jessie attended the webinar, Protecting the Privacy Rights of Trans Patrons
- Debbie met with other library staff to plan the GoAEYC Fall Conference (the local division of NAEYC).
- Jess attended the IYSI Conference Planning Committee and Sub-committee Meetings.
- Natalie watched the Booklist webinar, Spring 2025 Preview (for titles being released in the spring).
- Debbie watched the video from the IAFC, Engaging Parents When You Don't Speak their Home Language or Understand Their Culture.
- Katie watched the Harper Collins Winter Preview webinar.
- Amy attended the 2nd virtual storytime training on Behavior Management with Children. This is a series of storytime trainings out of the western suburbs.
- Debbie attended a webinar on Al Ethics and Uses.
- Amy watched the Sesame Workshop, Build A Reader.
- Courtney attended the RAILS Networking Northeast Youth Managers group meeting.

Of note, while the youth services team meets every other month to discuss regular business and planning of the winter/summer reading programs, we have begun to do short training-centered meetings in the opposite months. In October, Melissa from Adult Services came to refresh knowledge and go over Find More Illinois and placing ILLs through WorldShare so that YS staff can continue to provide good customer service and get things into the system the way that Melissa needs for the process to run smoothly. We were supposed to do this training in September, but because of vacations and conferences it ended up being pushed into October.
