

# LIBRARIAN'S REPORT January 2025 Pam Leffler, Executive Director

# Administration

#### **Personnel**

- We hired a part-time Facilities Associate, Felix Weinand, whose first day was January 17<sup>th</sup>. Felix will be working on Saturdays and Sundays.
- We hired a part-time Adult and Teen Services Associate, Luke Gilbreth, to replace former ATS Associate Ashely Miscevich. Luke's first day was January 21<sup>st</sup>.
- Other personnel news can be found in the Department reports.

### **Automation & Technology**

- Business Manager Leighton Shell, with instruction from OSG as necessary, has been updating staff computers to Windows 11.
- Our next round of computer replacements will be the YS staff computers. While budgeted for in the 2025 budget, the quote for approval of the new YS computers is in the February Board packets for Trustee review and approval.
- This month the managers and I began using the new, more digitally accessible templates created by Leighton. Trustees should not notice any major changes to the reports.
- OSG continues routine and general maintenance of our computers and other automation systems.

#### Legal/Financial/Policy

- Fieldwork on the 2024 audit has been completed.
- Business Manager Leighton Shell and I have been reviewing the Employee Handbook to make sure that any 2025 changes to Illinois law as they pertain to workers and working conditions in the state are accurately reflected.

### **Facilities**

- I met with Tiffany Nash and Dan Pohrte from Product Architecture + Design for a more thorough
  walk-through and to take measurements of the bathrooms, garage, and the administration offices
  in order to produce design plans. I'm hoping to have plans for the bathrooms and admin space
  sometime in February.
- Additional information on the building and grounds can be found in the report from Facilities Manager, Ed Tamras.

#### Miscellaneous

Passport Acceptance Services have really begun to take off, as you can see from the statistics.
 Special thanks should be given to Access Services Manager Jeff Ray and Access Services Assistant Manager Shawn Cherian, as they have really been going above and beyond getting Access Services staff trained in the passport acceptance process and overseeing appointments. This has clearly been an important service to the Morton Grove and surrounding communities.

# **Programming**

This month, we had 41 programs with a total of 498 attendees.

We celebrated the New Year once again with the Luminaria display. Despite the brisk weather this year, the event attracted families who came to see the lanterns they had decorated, as well as others who wanted to enjoy the display and a cup of cocoa.

Cailyn attended the very first Niles West Library Con, where the Niles West library hosted a number of student artists, local bookstores, authors, and a few local libraries. For this event, Cailyn tried out a new engagement tactic—the prize wheel—and the students loved it! Other vendors, libraries, and school staff also really liked the prize wheel, making it a great choice to bring. The prize wheel featured six options: candy, squishy, bookmark, MGPL swag, rock-paper-scissors (your choice), and book. We also offered stickers that we made in-house with the Cricut. Cailyn was able to speak with 150 students about what the library has to offer, which was amazing. The candy was a big draw for students, but once they were at the table, there were some great conversations about what public libraries can do for them.

Helping patrons at the desk, over the phone, or on chat is incredibly fulfilling. Here is a small selection of success stories from the Info Desks this month:

- We assisted a patron over the phone with accessing her Hoopla account on her Smart TV. We were able to help her, and she called back later that day to express her gratitude for solving the problem.
- We helped a patron over the phone who was seeking book recommendations but only had vague ideas about the kinds of books she likes. After selecting four books and providing brief descriptions of each, she was very pleased and asked to have all four put on hold for her.
- We were asked to assist two patrons with applying for an electronic travel authorization (ETA), which is required for traveling to the UK. We helped them from start to finish, and the patrons were extremely appreciative, stating, "There was no way we could have done this without your help."

We look forward to continuing to offer this level of support to the community in the coming year.

# Leighton Shell, Business Manager

#### **Business Office**

- Finalized Word templates for staff department reports and tables to make complying with digital accessibility requirements easier. I have also started updating earlier 2024 Board reports which had been posted to our website to make them digitally accessible.
- Assisted Executive Director with compiling information for 2024 audit walkthrough requests.
- As part of my role as local IT liaison for OSG, I started working on a project to upgrade about 20 library computers to Windows 11 to avoid the need for OSG to dispatch someone onsite. I have completed the first five upgrades without issue. Will upgrade a few computers each week until the project is completed.
- Performed standard weekly invoice processing and bill paying and standard bi-weekly payroll processing.

#### **Human Resources**

- We had two new employees join the Library, who had to be onboarded.
  - o Felix Weinand in Facilities & Maintenance
  - Luke Gilbreth in Adult & Teen Services
- I have worked on two draft policies for consideration by the Policy Committee
  - Key & Code Policy
  - Anti-Bullying Policy
- Researched training opportunities for possible bloodborne pathogen training for Facilities & Maintenance staff.

### Meetings/Training/Etc.

- On Friday, January 17<sup>th</sup>, I attended the inaugural meeting of ILA's new Human Resources & Administration Forum. It is a great new forum to ask HR questions to people working in the field who know the law and can give you advice. This first meeting was more of an introductory meeting. But there was some conversation on best practices for terminating an employee
- On Thursday, January 30<sup>th</sup>, I had a one-on-one Zoom call with a woman whom I met on the Paycom Discussion Group on Facebook. She offered to show me the basics of using Personnel Action Forms in Paycom. This is a more efficient way to make changes to employee records in Paycom and also provides a better change log of changes made.
- On Wednesday, February 5<sup>th</sup>, I took part in the North Suburban Library Peer Hub Zoom call for library HR and business administration staff members. We discussed a variety of topics including antibullying policy templates available from HR Source, conducting I9 audits, posting requirements for OSHA incident summaries, pet insurance, and DISC communication training.
- In between meetings, I also participate in email lists for the North Suburban Library Peer Hub and the Library Administrative Assistant Networking Group (LAANG). As mentioned earlier, I also participate in the Paycom Discussion Group on Facebook and the Niche Academy Users Group on Facebook.

# MGPL Youth Services January 2025 Report

# Courtney Schroeder, Youth Services Manager

### **Programming**

In January we held 54 programs for 1550 people.

At the end of the **Winter Reading Challenge**, we had 299 kids sign up for the program and 173 kids earn their book/enter the raffles. The extended program gave families more time to complete their reading goals and it seemed to be a much calmer experience at the desk as well.

With the kids out of school for Martin Luther King's birthday, we held **Crosstown Exotics**, a program focused on learning more about reptiles, which drew a huge crowd of 174 people. We continue to have a lot of success with our larger-scale animal shows and will host another over the summer.

#### Outreach

In January the outreach team visited 34 groups (639 kids/teachers/parents) at schools and welcomed two preschool groups for a Mini Music Makers class here at the Library. This month we also created 4 book bags of 93 items for area classrooms.
